- Rear lift gate
- COLD WEATHER PACKAGE

Shown with optional Lift Gate

Body Up Limit Switch

TESCO's Self Contained Hydraulic & Electrical Systems provide the simplicity and ease of maintenance to meet the demands of our customers.

Our Plug & Play system was designed specifically for Aviation Catering applications.

Each component can be easily detached and replaced for reduced maintenance time.

LED indicators on every relay allow easy troubleshooting.

Standard Automotive components easily sourced in local markets.

**We offer a full line
Aluminum, FRP and Insulated
Van bodies.**

**FORWARD PLATFORM CONFIGURATIONS include
Full Width, Two Way moving
and Four Way moving platforms.**
